

**THE NARRAGANSETT ELECTRIC COMPANY
OPTIONAL ENHANCED METERING SERVICE**

Availability of Service

Enhanced metering service under this provision is available to nonresidential customers receiving metered retail delivery service from Narragansett Electric Company (“Narragansett” or “the Company”). The availability of these services will be subject to the Company’s ability to render such service.

Service Option 1: Complete Service

Under this service option, the Company will provide equipment at the customer's facility which will allow for periodic readings of the customer's load through telephone lines. The Company will install, own and maintain the equipment in service. The customer, or its authorized representative, may receive the data through the optical port on the equipment or electronically. Narragansett will store load information on the meter for a period of 35 days and will read the meters daily.

Fees for Service Option 1:

The customer has the choice of a single payment or a monthly fee.

<u>Monthly fee</u>	<u>Single Payment</u>
\$7.08	\$342.15

Service Option 2: Pulse Service

Customers who wish to connect their own load recording equipment or equipment provided by their authorized representative to the Company's meter may elect this option. Narragansett will provide a pulse interface device through which the customer can access meter data. The customer, or its representative, must purchase, own and maintain a modem-equipped recording device in order to access meter pulses.

Fees for Service Option 2:

The customer has the choice of a single payment or a monthly fee.

<u>Monthly fee</u>	<u>Single Payment</u>
\$3.65	\$176.28

Additional Services

Customers who elect Service Option 1, Complete Service, may request additional
